Welcome to
Harvest House

ABOUT THE VENUE

Harvest House is the perfect venue to host your corporate functions, seminars and end-of-year events in the heart of the Cape Winelands. Conveniently situated on a beautiful wine estate between Stellenbosch and Paarl, and easily accessible from Cape Town.

If you're looking to throw a fabulous function in a beautiful garden setting with the most breath-taking views over the Helderberg mountain range, you've come to the right place! Our venue is the perfect destination with manicured gardens, rolling lawns, fields of lavender, and a delightful dam.

Banish the year's accumulated stress and forget about deadlines and meetings.

Here you can relish lunch or dinner, clink on cocktails and sip on bubbles – all surrounded by the sights and sounds of nature, verdant vineyards, unforgettable views and memorable sunsets. What better place to bond with your colleagues over a couple of much anticipated cold ones? After all, nothing truly says "thank you for all the hard work" more than a good party!

Our venue is available from Monday to Friday and can accommodate up to 150 people indoors. Choose from our stunning outdoor garden spaces with magical views, or our cozy, well appointed function hall. Boast a picturesque setting for a memorable year-end celebration, conference or team building event!
