

WEDDING & EVENING VENUE PACKAGES 2025/2026

Prices valid 01 October 2025 to 30 September 2026

Hello and Welcome

Nestled beneath the oaks in the tranquil lanes of the Stellenbosch winelands, you will find the exquisite De Meye Wine Estate, home to the Myburgh family for five generations. Being a family run estate brings with it an authenticity that allows those that experience it to feel welcome, calm and comfortable. This feeling of comfort filters into De Meye exclusive wedding venue managed by Harvest House.

Here we offer a space in which you and your guests can relax in the country, set amongst the vineyards and lavender. Our converted barn combines the romance of yesteryear with modern influences creating a blank canvas against which to plan and create your perfect wedding or evening function.

Perfect spot to tie the knot – the day that’s revered as one of the biggest and most important days of our lives – there’s a deluge of decisions to make, and a plethora of things to consider when ensuring your bride or your groom, your mother and her friends, your in-laws and their cousins, their cousins’ cousins, and you, experience a day to remember (perfect wedding venue). It’s never just about the simple act of saying “I do” to the person you’ve committed to saying “I do” to. It’s also about saying “thank you” to all of the people (and some of their cousins) who’ve witnessed, assisted, endured and perhaps even engineered the blossoming of your love, from its ripe little seedling, all the way through to its eagerly anticipated matrimonial fruition. And more often than not, that “thank you” is said in the most unashamedly ostentatious way.

- Harvest House is able to offer a number of spectacular outdoor settings for your ceremony depending on the package you choose.
- These areas can be discussed during a site visit.

BEVERAGES

- As De Meye is a wine producing farm we ask that only our wines be consumed at your wedding. A complimentary wine tasting can be arranged.

- Caterers can use our ovens, kitchen table and fridge to keep food warm or cold.

HIRING

- At Harvest House we know that each and every wedding is unique and for this reason we made the decision to only provide tables and benches for the ceremony thereby giving you the freedom to select all the other elements to suit the style of your big day.

- We also know however, that wedding planning can be quite stressful and having to find and book these items might seem like a daunting task. We therefore offer the service to book your cutlery, crockery (if your caterer does not supply it) glassware and chairs.
- Simply let us know if you need our help and we will include the costs in your quote

- All staff organised by Harvest House will NOT assist with your decor setup. They will place the tables and chairs, cutlery, crockery and glassware and any setup required beyond this must be organised through you
- A service fee of 10% will be levied on the final food and beverage account issued by you.

SOUND

- You are welcome to arrange your own music, whether it be a DJ or live music band.

- Fires will only be allowed in designated fire places and then with the permission of the fire officer if conditions are favorable.

WEDDING COORDINATION

- The venue hire fee does **not** include on-the-day or full wedding coordination services. It is **required** that you appoint an on-the-day coordinator, as our venue manager will only liaise with **one** designated wedding coordinator – not directly with the bridal couple or guests.
- A **penalty fee of R3,000** will apply if your coordinator does not arrive on the day.
- For weddings with **fewer than 30 guests**, a coordinator is **not required**.
- Wedding planners are always welcome at De Meye and we look forward to working with yours.

BREAKAGES & DAMAGES

- We charge a R5000 refundable deposit to cover any breakages or damages that are incurred to Harvest House property during your event.
